

**BOY SCOUT TROOP 447  
LINTHICUM, MARYLAND**

**SCOUT CELL PHONE CONTRACT**

The Boy Scout Law defines behavior that is expected of all Scouts. Behavior that is contrary to the Boy Scout Law may pose an unsafe environment to the Scout or other Scouts. The purpose of this contract is to stipulate the rules for the use of a Cell Phone during Scout activities. This contract only applies to Cell Phones and does not carry over to Tablets, Laptops, or other electronic devices which are not allowed at Scouting events.

The privilege of carrying a Cell Phone during Scouting activities may be earned by any Scout who is at the Rank of First Class or Higher. The Scout must first earn the BSA Cyber Chip, attend Troop Training, and have the permission of his Parents and the Scoutmaster. The BSA Cyber Chip must be renewed yearly. This privilege may be revoked at the discretion of the Scoutmaster or other Adult Leader.

Troop 447 will NOT accept any form of Cyber Bullying and will enforce all rules concerning Youth Protection. Any act of Cyber Bullying during a Scouting event will be cause for disciplinary actions and the possible revocation of the ability to carry a Cell Phone.

Troop 447 understands that parents may wish to call their Scout during Scouting activities however we ask that you refrain from doing this. If a parent needs to contact their Scout we request that you call the Adult Leader that is in charge of the activity first to determine if it is an acceptable time for Cell Phone use.
